

BARRY FARM

One of four New Communities Initiative developments, Barry Farm is a historic neighborhood in southwest Anacostia that will be redeveloped into a mixed-use community. With access to the Anacostia metro station, I-295, and Suitland Parkway, the development aims to provide sustainable, mixed-income housing and retail.

DEVELOPMENT UPDATES

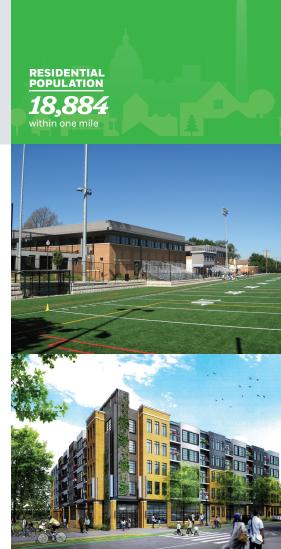

- The Asberry is a five-story, 108-unit affordable senior residence with 5,000 SF of retail space and delivered in Q3 2024. The project is part of the Phase I redevelopment of Barry Farm and supported by \$43 million of investment from the DC government, including roughly \$14.5 million towards construction of The Asberry.
- The Edmonson, currently under construction and scheduled for completion in 2026, will be a 139-unit affordable residence with 20,000 SF of retail space. The project is supported by a \$21 million New Communities Initiative (NCI) loan.

1.86 MILLION SF

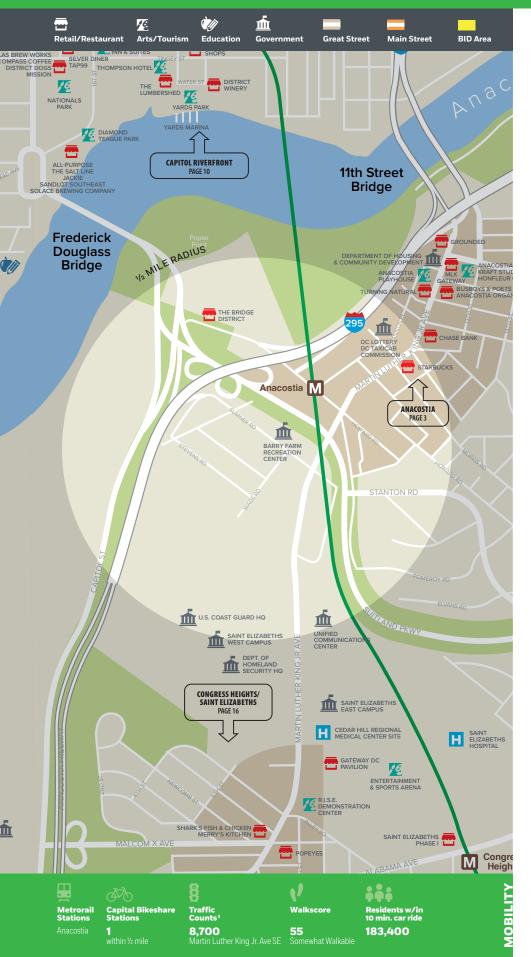

Potential buildout for the redevelopment plan, which calls for approximately 900 new residential units and 40,000 SF of neighborhood-serving retail.

NEW COMMUNITIES INITIATIVE

The New Communities Initiative is a DC government program, managed by the Office of the Deputy Mayor for Planning and Economic Development, to revitalize severely distressed subsidized housing, create vibrant mixed-income communities, and assist with addressing residents' needs.
